

Disqualification Declaration Form 2018

School	
---------------	--

As we are a school setting providing childcare as defined in the Childcare (Disqualification) Regulations 2018 (“the Regulations”) we are required to check that individuals working in relevant roles are not disqualified under the Regulations.

A person may be disqualified through

1. having certain orders or other restrictions placed upon them relating to the provision of childcare and the care of children;
2. being found to have committed certain violent and sexual criminal offences against children and adults;
3. being included on the Disclosure and Barring Service Children’s Barred List; or being found to have committed an offence overseas which would constitute an offence regarding disqualification under the 2018 Regulations if it had been done in any part of the UK

Please read this form carefully and then answer the questions below. You must sign the declaration confirming that you are not disqualified under those Regulations, from working in this school.

A disqualified person is not permitted to work in a childcare setting although Ofsted may in some circumstances issue a waiver. The school will determine whether or not it is prepared to proceed with your application in the light of the information declared on this form.

Have you previously applied for a waiver from Ofsted?	YES / NO
If yes, please indicate whether the waiver was granted and the date of the waiver.	

If you fail to complete, sign and return this form, we will be unable to proceed with your application for employment. If you complete the form and are offered employment at the school and it later transpires that you are disqualified from working at the school under the Regulations this will be regarded as a disciplinary matter, which may result in dismissal.
