

Music work for students isolating

The department would like students to study from the following website while isolating at home: **musictheory.net**. This work is appropriate across KS3 and therefore relevant, useful and challenging to both Years 7 and 8.

Music 1

Login to musictheory.net and click on the **Lessons tab**. Complete the following lessons:

- The staff, clefs and ledger lines
- Note duration
- Measures and time signatures
- Rest duration

Music 2

Login to musictheory.net and click on the **Exercises tab**. Complete the following lessons:

- Note identification
- Note construction
- Keyboard note identification
- Keyboard reverse identification
