

# Self-Isolation instructions

This half term we are studying *non-fiction* reading and writing skills. There are a wide selection of persuasive speech tasks to complete. Complete one or more of these. They should take 1-2 hours to complete. Aim for 2 sides of A4 for each speech if you can. There is also a planning sheet to help you. Remember to use DAFOREST. Complete all work in pen. Use the internet to research your topic and to revise the meanings of the terms in DAFOREST.
